**OUR CORE PROGRAM** Our philosophy stems from our seven core values (*fun, child centered, learning, organization, diversity, teamwork and safety*) framing behaviors we exhibit with children, staff and through program activities.

**Children have a voice and we listen.** A *child-centered* approach dictates that we listen and offer options that enhance a child's sense of self and social development. *Diverse* activities ensure that everyone's experience is different, appropriate and *fun*. Our year round staff, artist and experts are hired to create specialized *learning* moments in a *safe* setting.

All plans are subject to change and may not be listed herein since many are developed with the children in attendance. The theme for the day sets the tone for the daily offerings and is expressed in a balanced and *organized* schedule that includes physical and creative outlets, *teamwork*, and outdoor *fun*.

## September 29th, Thursday

### Applebee's

Campers take a trip to this kid-friendly restaurant and learn what goes into managing one. We have full access before it opens to the public and campers will take a tour of the kitchen area followed by lunch. When we return to ACT campers will participate in Minute-to-Win-it food challenges and work out the calories playing Wii dance and sports. **Trip fee: \$10.00.**

## September 30th, Friday

### Apple Picking

Day trip to Demarest Farm where campers will walk through apple orchards and select apples from the barrels as well as pick a pumpkin from the patch after a hay ride around the farm. After an outdoor lunch, campers will have donut and cider snack before returning to ACT for sports and arts activities. **Trip fee: \$15.00**
